Fuel Oil
Base Oil**

AN ISO 9001-2008 Certified Company

Kalos Oil Refinery (P) Ltd.

Mfg. of : Lubricants, Grease, Fuel Oil & Speciality Products

Office No.: 704, Shivdarshan Sahara Road, Andheri (W), Mumbai
Customer Care No.: 09904368199 • E-mail : info@kalosoil.com • Website : www.kalosoil.com

Industrial Product

Automobile Product

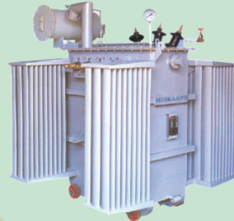

KALOS SOLUBLE CUTTING OIL

It is a Specially Formulated Emulsifying Cutting Oil Which Mixes Readily With Water. It Forms Excellent Stable Emulsion, Which Show No Apparent Separation After Long Period of Usage or Storage. It Increases Coolant Life & Prevent Unpleasant Odor. It is Preferred Choice for Machining Operations Where Cooling is of Utmost Importance.

KALOS TRANSFORMER OIL

It is Clear Transparent & Free From Sediments. It's A Very Good Resistivity and Heavy Good Electrical Strength.

PERFORMANCES : IEC 2961, 11 & BS 148.

KALOS HYDRAULIC OIL

It is a Specially Formulated Premium Quality Heavy Duty Industrial. Hydraulic Oil. It Provides Excellent Protection Against Foaming, Oxidation, Rust and Corrosion, It has Excellent Water Separation Characteristics. The Special Zinc/phosphorus Anti-Wear Additives Prevents Excessive Wear And Ensures longer pump & Valve life.

KALOS QUENCHING OIL

It is Refined by an Advance Finishing Process Which Enhance the High Resistance to Oxidation, Long Service Life and Low Carbon Residue. The High Resistance to Oxidation of These Oil Provides Uniform Hardening with Minimum Discoloration.

COMPRESSOR OIL

Lower Maintenance Cost Good Anti Rust Anti Foaming and Anti Corrosive Properties Ensures Longer Filter and Lubricating Life. Protective Film Over the Surface of Metal Parts.

APPLICATION :

Compress, Vacuum Pumps Gear Box Chain Drive Hydraulic System etc.

OTHER INDUSTRIAL PRODUCT

- HIGH TEMP. GREASE MP3 & EP-2 GREASE
- RUBBER PROCESSING OIL
- HLP HYDRAULIC OIL, ANTI-RUST OIL, MACHINE OIL
- CONNING OIL, SPINDLE OIL, GEAR OIL, THERMIC OIL
- HIGH TEMPERATURE OIL, CHAIN OIL
- STRAIGHT CUTTING OIL
- **PACKING :** 20, 55 & 210 Ltrs.

MARINE OIL

KALOS GOLD 15W40

Lower Oil Consumption and Increased Fuel Efficiency. Reduce Wear of Engine & Components, Extends Filter Life. It has well Anti Corrosive & Rust Properties, Suitable for all Climate.

APPLICATION :

Diesel & Petrol Engine Operating under Moderate Duty Condition.

Performance Level : IS 13656 - 1993 (EP11/DL1) US MLLLTARY MIL_L_2104B, API-CF4.

KALOS SILVER 20W40

Lower Maintenance Cost Heavy Duty Engine Oil Lower Oil Consumption and Increased Fuel Efficiency Reduces Wear of Engine and Component, Extends Filter life. It has Well Anti Corrosive and Anti Rust Properties. Suitable for All Climate.

APPLICATION :

Diesel Engines Diesel Engine Sets Heavy Vehicle Operating Under Extreme Severe Duty Condition

PERFORMANCE LEVEL : IS 13656 (EDL3), API-CF4.

KALOS 4T PLUS

It Provides Smoother Engine Performance, Smoother Gear Shift. It a superior engine oil meant for the toughest driving conditions. It ensures rapid oil flow through the engine, reduces friction, engine wear and clutch slippage resulting in smoother engine performance and gear shift.

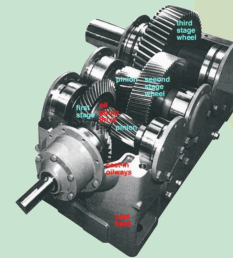

PERFORMANCE LEVEL :

SAE 20W40, API SL VTWSM JASO MA2

GEAR OIL

KALOS Gear Protection EP-90 are recommended for hypoid spiral level or worm gear transmission system of card, buses, truck and tractors requiring EP type lubricants. It is also recommended for transmission, final drives and hydraulic system of Ford Tractors.

OTHER AUTOMOBILE PRODUCT

- COOLANT,
- SUPER BREAK FLUID,
- STEERING OIL,
- WHEEL BEARING GREASE,
- CHASSIS GREASE,
- **PACKING :** 1, 3.5, 5, 7.5, 10, 15, 20, 55 & 210 Ltrs.
